Dear Majestic Way Community,

It was wonderful to see many parents and guardians at our Harvest Day Parade last month. I am looking forward to seeing many of you again this month during our Parent/Teacher Conference week. Please remember that school is a partnership. At any time, if you have questions or concerns about your child(ren)'s education or academic progress, please do not hesitate to reach out to us.

I would also like to take this time to introduce you to a new staff member to our Majestic Way family. Randi Beckman, will be joining Majestic Way as our new Social Worker. Chireen Hammad (former Social Worker) has been assigned to two other schools. Ms. Beckman comes with years of experience in working with children and families.

It is with great excitement that I share with you this wonderful news. Majestic Way was invited by the City of San Jose and City Council to participate in the International Walk to School Day Proclamation Ceremony last month. During this ceremony Majestic Way was one of sixteen schools that were recognized for our work in the Walk and Roll Program. Over the last 3 years, Majestic Way has steadily increased our weekly walkers and bikers to school. I am impressed by the dedication, commitment, and achievement that our students and parents have put forth in this awesome endeavor/program.

Your partner in education,
Mya Duong
Principal, Majestic Way Elementary School

District Assessments

Testing will be a part of your child's future in school. All students, grades Kindergarten through 5th grade will be taking a district wide performance assessment. Testing will be from October 26th - November 13th. Results will be shared during the fall conferences.

BrightBytes Parent Survey

Majestic Way is partnering with BrightBytes, an educational research and analytics company, in order to learn more about our students' school and home technology use for learning. Please support us in this initiative by completing the questionnaire by: Monday, November 23rd. Please go to www.BBYT.ES and enter in your 5 character code: **LR4VP**. The questionnaire will take approximately 5 minutes to complete. Thank you for taking part in this important initiative!

Parent/Teacher Conferences

Conferences will be held on the following days: November 13, 16, 17, 18, and 20. Please keep your eye out for a letter from your child's teacher with your appointment date and time. Parents plus teachers equals positive and successful learning experiences for students.

Rainy Days

As we enter the rainy season, please allow extra time in the mornings to arrive to school on time. When students arrive to school on rainy days, they are to report to the Multi Purpose Room (with the exception of Kinders...drop Kinders off directly to their classroom). Please keep in minds that only students are allowed in the MPR. Parents are asked to drop off students and leave.

Drive Safely and Be a Good Model

The Majestic Way staff and students are counting on you to drive responsibly and to follow traffic laws. 4th and 5th grade Safety Patrol Officers help pedestrians to cross at the crosswalks. Staff members help to monitor traffic to ensure student safety at dismissal time. Please respect our efforts to keep everyone safe. Bad language, rudeness, rude gestures and unsafe driving are inappropriate and not appreciated by staff or students who are trying to do their jobs. License plate numbers of vehicles whose drivers are rude or exhibit unsafe driving will be turned over to the San Jose Police Department, School Safety division, for follow-up. **RESPECT OUR NEIGHBOR'S PROPERTY – DO NOT PARK IN THEIR DRIVEWAYS!!**

Getting Involved in Your Child's School

The National PTA offers some tips for parents to help their children. Children whose parents are active partners in their education:

- Get better grades
- Have better attendance records
- Have fewer problems with drugs and alcohol
- Have a more positive attitude toward learning

How can parents participate in their children's education? What can they do?

- Be a friend of the school. Get to know the school culture. The staff members truly make a difference in the students' lives. Get to know them.
- Keep in contact with the school. Visit the school and their website to see what is happening. There are opportunities for you to get involved.
- Get to know the standards. Most states have adopted a set of benchmarks to assess students, teachers and schools. Become familiar with them.
- Join the PTA or other groups that are interested in improving the effectiveness of our children's education. The greater the membership, the greater the positive effect.
